

Quality People Pty Ltd: Capability Statement

EXECUTIVE SUMMARY

Quality People is an Australian family-owned and operated recruitment and workforce solutions specialist, established in 2002. We act as a dedicated strategic partner, managing the complexities of recruitment and contractor management so our clients can focus on their core competencies. With over 24 years of experience and a track record of over 1000 successful placements, we bridge the gap between Quality Professionals and the complex projects that drive Australia's future, ensuring every resource is rigorously vetted, SQEP-ready, and fully aligned with your culture.

QUALITY PEOPLE'S EMPOWERMENT NETWORK

Quality People's Empowerment Network connects leading independent consultants and Subject Matter Experts with impactful opportunities, providing the essential support, structure, and promotion they need to thrive. We handle the complexities so you can focus on delivering your expertise, creating a powerful partnership for shared success.

Example: We recently facilitated the Northern Territory Government's eLearning project by connecting the client with Jane Crofts and her company, Data to the People, where Quality People facilitated the opportunity and managed all contractual aspects while the Subject Matter Expert delivered the specialised work.

INDUSTRY SECTORS AND SPECIALISED DOMAINS

Quality People provides workforce solutions across a broad range of sectors, with deep expertise in:

1. **Core Sectors:** ICT (Information & Communications Technology), Defence, Space, Cyber Security, Government, Healthcare & Social Assistance, Banking & Finance, Mining/Resources & Utilities, Engineering & Construction, Manufacturing, Rail & Roads.
2. **Specialised Professional Domains:** Programs & Projects, Data Analytics & Management, Organisational Planning & Development, Communications, Integrated Logistics Support (ILS), Business & Procurement, Management & Corporate Governance, and Technical Services.

OUR IMPACT AND EXPERTISE

With a proven track record of successfully placing over 1000 professionals, Quality People has established itself as a trusted partner, delivering comprehensive and specialised workforce solutions tailored to the unique needs of diverse sectors across Australia. With over 24 years of experience, our commitment to "Achieving Professional Excellence" is the cornerstone of our operations, guiding every interaction and placement.

We pride ourselves on our deep understanding of complex project environments and our ability to source and supply Quality, hard-to-get Professionals across a broad spectrum of roles. Our capacity to deliver high-quality Professional Contractor services is highlighted by our successful engagements on numerous current Government panels, including, but not limited to:

- **Whole of Australian Government (WoAG) Professional Contractor Services Panel (Phase 3):**
 - **Communications**
 - **Data Analytics & Management**
 - **Organisational Planning & Development**
 - **Programs and Projects**
- BuyICT - DMP2: ICT Labour Hire
- ACT and NSW Governments - SCM0007 - Prequalification Scheme: Contingent Workforce
- Northern Territory Government - NTG24-0163 - Provision of ICT Specialist Services
- Queensland Government - GGS0060 - Temporary & contracted workers preferred supplier panel

STRATEGIC ADVANTAGES

We differentiate ourselves through our commitment to transparency, diligence, and **Quality People's Empowerment Network**. We provide more than just personnel; we offer a strategic partnership that removes administrative friction and mitigates HR risk, allowing you to focus on your core objectives.

1. **Strategic Talent Sourcing:** We leverage our extensive network to deploy vetted, SQEP-ready professionals with speed and accuracy.
2. **Expert Contractor Management:** We manage the end-to-end engagement lifecycle, ensuring full compliance, onboarding, and performance oversight.
3. **Cleared Talent Acquisition:** We provide rapid acquisition and deployment of security-cleared Quality Professionals for high-stakes Defence, Space, and Cyber environments.
4. **AI-Augmented Efficiency:** We utilise secure, enterprise-grade AI to enhance matching precision, underpinned by strict human-in-the-loop oversight to ensure data integrity.

OUR VALUES AND COMMITMENTS

Quality People is built on a foundation of ethical integrity, a deep commitment to inclusiveness, and a dedicated pursuit of professional excellence. Our values guide every connection we make and every project we support:

- **Ethics and Professional Integrity:** We operate with complete transparency and diligence. As a proud member of the Association of Professional Staffing Companies (APSCo), we uphold the highest standards of professional conduct, ensuring fairness in every engagement.
- **Inclusiveness and Empowerment:** We champion diverse and inclusive workforces, recognising that varied perspectives drive innovation. We are dedicated to providing equal opportunity for all including our active advocacy for veterans transitioning from Defence into civilian careers with purpose, and our commitment to Indigenous engagement through our role as an Industry Certified Ally of the Northern Territory Indigenous Business Network (NTIBN).
- **Proactive Safety and Wellbeing:** Safety is paramount. We go beyond standard compliance by utilising our proprietary QP4U Audit 5-Step Safety and Compliance Plan to ensure the highest standards of health and safety for every Quality Professional.
- **AI Governance and Transparency:** We are committed to innovation and efficiency, leveraging AI to augment our workforce solutions. We operate on a strict "Human-in-the-Loop" principle, ensuring all AI-driven outputs are verified by our team. Our use of technology is governed by rigorous data security protocols, ensuring the privacy and integrity of client and candidate information at all times.
- **Relationship-First Partnership:** We are your dedicated strategic partner. Through our Cohesive Relationship Management (CRM) model, we build the trust and collaboration required to deliver shared growth and lasting impact on your projects.
